

March 25, 2014

To Whom It May Concern:

All of MPH Industries speed measurement systems are manufactured in our factory in Owensboro, Kentucky. This includes the following products, all of which qualify for purchase under the Buy America Act:

- Traffic radar systems: All versions of BEE III, Ranger, Python III, Speedgun Pro, Enforcer, and Z-45
- Traffic laser systems: All models of SpeedLaser and SpeedProof
- Speed displays: All Speed Monitor, Speed Patrol, Speed Guardian, Crossing Guardian, and SpeedView models.

For any questions, including inquiries about MPH products that are not in the list above, please contact your MPH sales representative.

Sincerely,

John Broxon  
President  
MPH Industries, Inc.
