

Police Radar/Lidar Instructor Course

April 18-19 2017

**Sponsored By: APOSTC Law Enforcement Academy
Baldwin County**

**Location: 15950 Mosley Road
Stapleton, Alabama 36507**

MPH Industries Inc is once again offering a Radar Instructor's Course that is designed to teach participants to become proficient in the use of Traffic Radar/Lidar and enable them to instruct the Basic Radar/Lidar Course to members of their Department and others. This satellite course will take place in Stapleton, Alabama at the APOSTC Law Enforcement Academy Baldwin County.

This Radar Instructor Course is based on "The Basic Training Program in Radar Speed Measurement" developed by the National Highway Traffic Safety Administration. The Instructor is a Retired Kentucky State Trooper who has instructed Radar Courses for over 30 years.

Save your department Hundreds of dollars and man hours by having your own Radar/Lidar Instructor to manage your traffic program and teach the basic course to your officers. During the training students will be exposed to hands-on training utilizing our new speed measurement devices directly from the factory.

MPH, a leader in the radar industry for over 30 years, will train each student in the following:

Stationary Radar
Basic Moving Radar
Same Direction Moving Radar (Manual and ASD™)
Fastest Vehicle Mode
POP™ Mode
Methods of Instruction
Technical Aspects of Lidar/Radar
Hands-on Visual Speed estimates
Courtroom procedures and testifying
Case Law

Each Student will receive a CD containing the "Basic Radar/Lidar Course" complete with all materials.

Cost: \$300.00 per student, \$200 per additional student per department, **nonrefundable after class start.**

Length: Two days (April 18-19 2017)

Prerequisites: Must be trained in Basic Radar Course for your State.

Application (Pg2) and **non-refundable** tuition must be sent in by April 1 2017. Sign-up now! Class size is limited. For more information contact Larry Abel (ldabel@mphindustries.com) or Christie Campbell (CCambell@mhindustries.com) at **1-888-689-9222 or 270-685-6240.**

Please submit application and nonrefundable tuition fee to:
