

Police Radar/Lidar Instructor Course

November 13-14, 2018

Sponsored By: Mississippi Highway Patrol

Location: Mississippi Law Enforcement Officers' Training Academy

3791 Hwy 468 W

Pearl, Mississippi 39208

MPH Industries Inc is once again offering a Radar Instructor's Course that is designed to teach participants to become proficient in the use of Traffic Radar/Lidar and enable them to instruct the Basic Radar/Lidar Course to members of their Department and others. This satellite course will take place in Pearl, Mississippi at the Mississippi Law Enforcement Officers' Training Academy.

This Radar/Lidar Instructor Course is based on "The Basic Training Program in Radar/Lidar Speed Measurement" developed by the National Highway Traffic Safety Administration. The Instructor is a Retired Kentucky State Trooper who has instructed Radar/Lidar Courses for over 30 years.

Save your department Hundreds of dollars and man hours by having your own Radar/Lidar Instructor to manage your traffic program and teach the basic course to your officers. During the training students will be exposed to hands-on training utilizing our new speed measurement devices directly from the factory.

MPH, a leader in the radar industry for over 30 years, will train each student in the following:

Stationary Radar

Basic Moving Radar

Same Direction Moving Radar (Manual and ASD™)

Fastest Vehicle Mode

POP™ Mode

Methods of Instruction

Technical Aspects of Lidar/Radar

Hands-on Visual Speed estimates

Courtroom procedures and testifying

Case Law

Each Student will receive data containing the "Basic Radar/Lidar Course" complete with all materials.

Cost: \$300.00 per student, **nonrefundable after class start.**

Length: Two days (November 13-14, 2018)

Prerequisites: Officers should bring a marked car, 50% of class is hands on training outside. Dress is informal. No cutoffs, shorts or sleeveless shirts. Tactical wear is appropriate.

Application (Pg2) and **non-refundable** tuition must be sent in by 5 November, 2018. Sign-up now! Class size is limited. For more information contact Larry Abel (ldabel@mphindustries.com) or Christie Campbell (CCampbell@mphindustries.com) at 1-888-689-9222 or 270-685-6240.
